Critical Tips One Must Know If They Have Long Term Care Insurance

PROBLEM #1 AN INCREASING % OF SENIORS HAVE LONG TERM CARE INSURANCE BUT FORGET THEY HAVE IT

"Studies show private home care significantly reduces the risk of falls the leading cause of re-hospitalization, injury and death in the elderly population"

THIS TYPE OF INSURANCE COVERS THE COST OF EXTRA PERSONAL CARE SUPPORT, SUPERVISION IN THE HOME AND CAN HELP REDUCE HOSPITAL READMISSIONS

Critical Tips One Must Know If They Have Long Term Care Insurance

PROBLEM #2 MANY POLICY HOLDERS GET THEIR CLAIMS DENIED UNNECESSARILY BECAUSE THEY LACK THE FOLLOWING INFO

- The critical “triggers” to avoid claim denial
- The right things to say when they call the insurance company to start claim
- Which Medicare services count towards the deductible

**SADLY... THE INSURANCE COMPANIES DON'T VOLUNTEER THIS INFO
THIS IS WHERE WE CAN HELP!**
