

Health Staffing and
Placement Services

Demand for Foreign Educated Nurses (FENs) is Rising

Throughout history, foreign nurses have offered solutions to health care organizations (HCO) by easing the burden of nursing shortages.

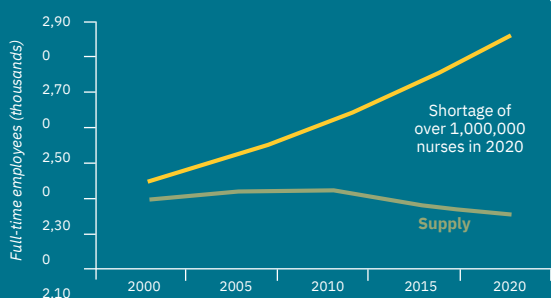

INTERNATIONAL NURSING RECRUITMENT

Innovative Solutions to Healthcare Staffing

Are You a Health Care Organization Experiencing:

- ✓ Low patient satisfaction due to poor staffing?
- ✓ Is patient care getting compromised?
- ✓ Nurses are retiring?
- ✓ Increase staff turn-over?
- ✓ Paying high sign-on bonus to attract applicants?
- ✓ Offering high relocation allowances?
- ✓ Using a temporary staffing agency Or travelling nurses?

National Supply and Demand Projections for FTE
RNs, 2000-2020

Significant Figures

1.1 million

Projected number of nurses required
to replace retirements and meet
needs by 2022
